SHARING *HIGHLIGHTS* FROM OUR 9TH ANNUAL NEST CHRISTMAS CELEBRATION

Thank you, **Knights of Columbus of Saint Francis of Assisi Church**, for providing coats to each NEST Kid—warm, comfortable coats that provide the Nurturing, Establishing, Securing, Trusting environments so important to every child.

Each NEST Kid received a coat, different for each child yet similar to the one above.

NEST van loaded with food bags for distribution

Thank you, **Skyline National Bank**, for making the community connections that help provide extra food for each family. What a blessing your help, again this year, has been in supplying food to fill kitchen cabinets this Christmas season.

Thank you, **Sweet and Savory**, for all you have done during the past year to help with meals for our NEST Kids Program. Thank you for providing the delicious meal for the NEST Kids' Christmas Celebration and for your amazing love shown to each NEST Kid.

Cake made by Sweet and Savory

Thank you, **Shoes for Kids**, for working with The NEST Alliance to provide shoes at Christmas and the beginning of the school year for each NEST Kid. What a difference a new, comfortable pair of shoes makes to the child who wears them each day.

"One person is all it ever takes to make a difference. One person is all it takes to make someone else see what needs to be done. That person then gets another and that person gets another and so on and so on."

To each person who made the AEV donation possible, we thank you. All of you are the one person it takes to make a difference.

SHARE YOUR STORY

January is National Mentoring Month, and The NEST Alliance invites you to share with us a true story, that could be published in one of our future newsletters, of a time when you were a young person and an adult took the time to mentor you or help you in ways that made a positive difference in your life. We ask that you consider sharing your story by emailing it to thenestalliance@gmail.com or by mailing it to The NEST Alliance, PO Box 684, West Jefferson, NC 28694. Your story could be the inspiration for someone to become a mentor or could encourage those who are current mentors to continue to be the caring adult who is a light in a child's life.

When a gift is given to help a child, it becomes an investment in the life of a child. ~Anonymous
